SUPPORTING YOUR NY NOW EXPERIENCE

Ensure your success by driving buyers from the entrance doors to your booth! Your participation in NY NOW comes with access to free and paid marketing opportunities that will make your brand stand out. Our team of experienced sales, marketing and operations professionals will see you through, offering unparalleled support to make your NY NOW experience productive and enjoyable.

I have been attending NY NOW for many years because most of our favorite brands are only at this market and not anywhere else. I saw more curated brands which is important for us to find new product and always stay ahead of the competition. We met a lot of new vendors and were able to see a lot of our repeat vendors that we can only find at NY NOW. Overall had a very successful show.
