

February 5-8, 2023 - Javits Center, NYC

Pre-Plan for Booth + Tools/Resources for Onsite

- Before going on site know:
 - Booth number
 - Size/dimensions of space
 - Location
 - Booth inclusions/package
- Plan your booth design ahead of time to ensure that you have all materials for set up.
 - This can help you to know if you need electricity or labor- advanced rates available ahead of time to help save some money.
- Electricity to charge phones, computers etc. is not part of our booth packages that will need to be purchased separately.
- There is free Wi-Fi available for all brands.
- Onsite resources
 - Javits electricity will be onsite.
 - Freeman services and labor services will be onsite.
 - Our entire sales team walks around during set up and show days to meet brands in person and help where they can
 - Marketing and the Buyer Relations team will be onsite.
 - Customer representative available always on the show floor to direct you and help with any issues.
 - Press room.
 - Show office.
